PIP MAKERS

## SETUP GUIDE - SR

INFO@PIPMAKERS.CO.UK

WWW.PIPMAKERS.CO.UK

/PIPMAKERS-EA

SETUP PIPMAKERSEA STANDARD RISK

If you have previously registered with STT you will need to create a new email account and white label account up as the system will not let you register the same email twice or you can log into STT and go to user settings and change the email to spoof the system to let you use your original email to re-register.
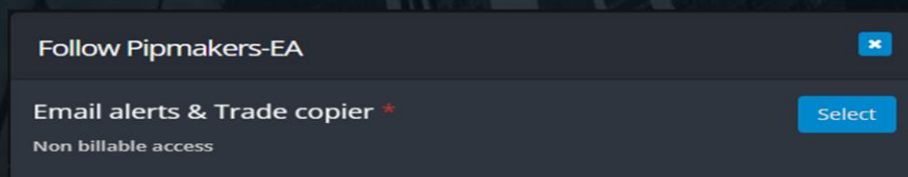

1, Firstly click this link http://bit.ly/PIP-HOME - Click signup to get an account with us, enter your details as required then click signup.

2, Go to your email that you signed up with and verify the account.

PIPmakers EA

** REGISTER**

Registration successful

To complete the registration process and verify your details an email has been sent to your registered email address.

Please check your inbox and click on the verification link to activate your account.

3, Once verified go to http://bit.ly/PIPMNEW - click on follow>select then log into your account then follow for the standard signal.

4, Click select, and then you will be following the signal

Follow Pipmakers-EA   ✖

Email alerts & Trade copier *   Select
Non billable access

The performance fee and hosting fee are to be paid no later than the 8th and you will receive an invoice on the 1st of each month, this will be sent to the email you registered on the PipMakers website not social trader tools.

SETUP PIPMAKERSEA STANDARD RISK

5, Go to the cogs(configurator) then click accounts>ads account

No accounts have been added

You can add any MT4/5 broker account to the platform. To add an accour
use case. For example, to receive email alerts you only need the investor

+ Add Account   **Open a trading account**

How do I add an account?

Here you can find the documentation on how to add an account.

Documentation

6, Enter your MT4 account number, password and server, these would have been emailed to you when you registered for your broker.

Please note that we now only allow Vantage Markets to follow our signal, no other broker is permitted.

In descriptive name, please enter YOUR FULL NAME as you registered with us. Also please make sure you use the your normal password NOT the investor password
